Address:

421 Powerline Road, Montrose

Price:

3.00 \$

1977 Ford F150, 4x4, 400 engine. \$3,500 obo

Solid truck, very little rust and runs smoothly and reliably.

I've replaced the radiator and hoses, thermostat, heater blower motor, heater core, and battery this year.

Selling because its a bit of a gas hog and I've bought a new vehicle.
